

WHO WILL YOU SAVE?

The City of Santa Clarita is partnering with Be The Match - City of Hope to host a Bone Marrow Registry Drive for Kailyn who is diagnosed with High Risk B-Cell Acute Lymphoblastic Leukemia (ALL)

HOW? Screening is easy – just a cheek swab and some paperwork.

WHO? Anyone aged 18- 44, in general good health and willing to donate to any patient.

WHY? Doctors search the registry to find marrow matches for their patients. **You could be the match for a patient waiting for a lifesaving donation!**

Kailyn's journey is one full of treatment, doctor's appointments, chemotherapy, and all around changes in her everyday life.

Together we can help find her match!

WHEN:
Thursday April 12th,
9am – 3pm

WHERE:
Century Room at City Hall
23920 Valencia Blvd.
